Designed by the Rockwell Group, Feroce Ristorante is the ground-floor Italian hot spot at the new Moxy Chelsea hotel. Run by Francesco Panella and the team behind Antica Pesa in Rome and Brooklyn, it brings a new level of sophistication to the Moxy brand. For the design, the Rockwell Group drew inspiration from the surrounding Flower District and romantic Italian gardens to create a dramatic backdrop for diners to indulge in dishes like eggplant parmigiana and fettucine with lobster. Artwork drawn from vintage Italian advertisements adds a playful touch.
